Writing isn't simply about the mechanics. Learn how to distill your unique writing voice for any of your projects, from sending an email to blogging to writing your own book. Come get practical and step-by-step action to take you from "want to" into the realm of "just did." Learn how to develop topics, how to be bolder in your writing, and how to say what you mean. This works for fiction as well as non fiction, so don't give yourself that excuse, either. Short, sweet, and to the point, this book is designed to give you new skills and get you back out there writing again. Written by the New York Times bestselling author of eight books (this is his ninth) and a internationally sought after blogger and keynote speaker.
