Two friends. Two brothers. Two weddings. Too many secrets.

Colleen MacGregor rededicated her life to God when she met and married Terence Hayworth. However, her happily-ever-after will have to wait, because she has some serious dragons to slay to sustain her marriage and keep her friendship with Gina Price intact. After fifteen years of friendship, Colleen must now draw the line and stop telling Gina everything.

What did God do to her friend? Gina finds it hard to deal with Colleen's newfound faith. She thinks Colleen has become self-righteous, subjecting Gina to her holy tirades whenever the mood strikes. When Gina begins dating one brother, while simultaneously falling in love with another, boy, does she get an earful! Gina, however, is way too busy trying to sort her way through her own murky feelings to worry about her soul. Her heart wants what it wants.

Michelle Lindo-Rice explores the complicated world of female friendships. Can a friendship survive when one friend becomes saved?

***** Christian fiction read. Slight sizzle. Edgy
