*A hilarious story with an important message*

When an elephant in the city zoo picks up a beauty magazine, she makes a horrifying discovery: her wrinkles make her look ancient! After covering herself with anti-aging cream, she passes the magazine on to the other animals in the zoo. Soon the panda is trying to get rid of the dark circles under his eyes, the lion is getting the latest celebrity hairstyle, and the boa constrictor is dressing in leopard print (snakeskin was so last season). But how will people react to the animals' new looks?

This zany, satirical picture book addresses body image issues and reminds readers to appreciate themselves for who they are.
