SILENCED PACES is an elaborated work addressed mainly to people who are willing to enhance their knowledge and understanding about the most troubled times of our world's history. The facts and their sequence are based on historical archives and data. This book is intended to unveil the events buried in the dimness of those times, lived by ordinary peoples, through horrors, sufferings, despair, famine, and unthinkable abuses, during and after the Second World War. The story depicts the shaking period of time between 1930 and 1980, and it's staged in Romania. The events are combined with the "saga" of a family whose daily ordeal solidifies even better the realities of those troubled times. Maybe, this book will help people to better understand the values of life and of their historical heritage, leaving them as a legacy to the coming generations, to be enhanced, shared, and treasured.
