South Vietnam Trial & Experience: A Challenge For Development Anh Tuan Nguyen

Preface by Douglas Pike

Dr. Nguyen Anh Tuan, former Minister of Finance of the Republic of South Vietnam, addresses a common perception of Vietnam: that South Vietnam was a fragmented society which did not deserve to succeed because of its internal weaknesses. According to Tuan, however, South Vietnam in the last decade of its life developed considerable governmental cohesion and internal social strength. Before the final failure of will, the South and its defenders were well on the way to becoming a viable society that had managed with American assistance to lift itself by its bootstraps to the point to economic take-off. Tuan argues that South Vietnam's fall was not inevitable. This controversial book will be of great interest to all those concerned with the Vietnamese experience during the period 1954-1975.
