Struggle for Survival: Water (TIME FOR KIDS® Nonfiction Readers) William B. Rice

The Struggle for Survival: Water builds critical literacy skills with this action-packed nonfiction reader designed to engage sixth grade students. Keep your students at the edge of their seats with content that will keep them enthralled from the first page to the last. Showcasing important survival skills, this informational text examines the outdoor skills needed to survive extreme elements. Aligned with state standards, Struggle for Survival: Water features complex and rigorous content appropriate for middle school students preparing for college and career readiness.

About Shell Education

Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
