The Island of Horses (New York Review Children's Collection) Eilis Dillon

Chosen by the Sunday Times (London) as one of its 99 Best Books for Children

The people of remote Inishrone, a few miles off the Connemara coast, know better than to go to the Island of Horses. Everyone has heard tales of men who have gone there and never come back. Yet one day young Pat Conroy and his friend Danny MacDonagh head off anyway, telling their parents that they are fishing for eels. On the island they find no ghosts but many mysteries, including a beautiful—and tame—black colt. But when they return home, with the colt in tow, they find themselves launched into a world of trouble. Before their adventure is over, the boys must brave rough seas and the murderous duplicity of a conniving horse trader, with only the advice of Pat's frail grandmother and their own good sense to guide them.

A loving, clear-eyed portrait of rural Irish life, *The Island of Horses* is fraught with suspense and peopled with unforgettable individuals.

From reader reviews:

Aaron Tyler:

Nowadays reading books become more and more than want or need but also become a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge your information inside the book in which improve your knowledge and information. The information you get based on what kind of book you read, if you want drive more knowledge just go with training books but if you want experience happy read one having theme for entertaining for instance comic or novel. The particular The Island of Horses (New York Review Children's Collection) is kind of book which is giving the reader capricious experience.

Thomas Depew:

Why? Because this The Island of Horses (New York Review Children's Collection) is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will zap you with the secret the idea inside. Reading this book alongside it was fantastic author who else write the book in such remarkable way makes the content within easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of benefits than the other book get such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I had been you I will go to the guide store hurriedly.

Andre Roberts:

Are you kind of active person, only have 10 as well as 15 minute in your day time to upgrading your mind proficiency or thinking skill possibly analytical thinking? Then you are having problem with the book as compared to can satisfy your limited time to read it because this all time you only find reserve that need more time to be learn. The Island of Horses (New York Review Children's Collection) can be your answer given it can be read by a person who have those short extra time problems.

Bobby Miller:

With this era which is the greater man or who has ability to do something more are more precious than other. Do you want to become one among it? It is just simple method to have that. What you must do is just spending your time almost no but quite enough to get a look at some books. Among the books in the top record in your reading list will be The Island of Horses (New York Review Children's Collection). This book which is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking up and review this guide you can get many advantages.
