The Rise and Fall of the Gallivanter M. J. Beaufrand

In Portland in 1983, girls are disappearing. Noah, a teen punk with a dark past, becomes obsessed with finding out where they've gone—and he's convinced their disappearance has something to do with the creepy German owners of a local brewery, the PfefferBrau Haus. Noah worries about the missing girls as a way of avoiding the fact that something's seriously wrong with his best friend, Evan. Could it be the same dark force that's pulling them all down?

When the PfefferBrau Haus opens its doors for a battle of the bands, Noah pulls his band, the Gallivanter, back together in order to get to the bottom of the mystery. But there's a new addition to the band: an enigmatic David Bowie look-alike named Ziggy. And secrets other than where the bodies are buried will be revealed. From Edgar-nominated author M. J. Beaufrand, this is a story that gets to the heart of grief and loss while also being hilarious, fast paced, and heartbreaking.
