Cold Spell (Fairy Tale Retelling) Jackson Pearce

Kai and Ginny grew up together--best friends since they could toddle around their building's rooftop rose garden. Now they're seventeen, and their relationship has developed into something sweeter, complete with stolen kisses and plans to someday run away together.

But one night, Kai disappears with a mysterious stranger named Mora--a beautiful girl with a dark past and a heart of ice. Refusing to be cast aside, Ginny goes after them and is thrust into a world she never imagined, one filled with monsters and thieves and the idea that love is not enough.

If Ginny and Kai survive the journey, will she still be the girl he loved--and moreover, will she still be the girl who loved him?

Jackson Pearce, author of the acclaimed *Sisters Red* and *Fathomless*, has returned with a unique vision of Hans Christian Andersen's "The Snow Queen," one about power and redemption, failure and hope, and the true meaning of strength.

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So, this Cold Spell (Fairy Tale Retelling) can make you sense more interested to read.
