Essential Computers: Creating Presentations DK Publishing

The Essential Computers series provides simple, visual references to all the computer skills you need, from word processing to the internet. Addressing the issues that thousands of new users face every day, the Essential Computers series helps them join the "Information Age." Each book in the series is geared toward solving a specific task by using the most up-to-date software available. Whether the issue is creating spreadsheets in Microsoft Excel or parental control of the internet, each lesson is taught in the simple, step-by-step style that DK made famous. The text is clearly illustrated with pictures pulled directly from computer screens, showing the reader what to expect at each stage.
