Smoky God and Other Inner Earth Mysteries Timothy Green Beckley

Half of the book consists of a classic reprint of the classic SMOKY GODS written by a Swedist fisherman who claims he found his way inside the earth and had an amazing encounter with a race of super wise giants who have lived inside the earth since ancient times. Book also contains evidence that at least some UFOs may come from inside planet and are pilot by a race of super-beings who have survived unknown to the surface world. Includes interview with an inner earth inhabitant from a city beneath Mt Shasta. This is NOT science fiction.
