The Red-Green Axis: Refugees, Immigration and the Agenda to Erase America (Civilization Jihad Reader Series) (Volume 4) James Simpson

Mr. Simpson's copious documentation and fact-based findings chart the trajectory of the refugee resettlement industry. The Red-Green Axis illuminates the impetus that industry received early on via the United Nation's Human Settlement Policy – a plan to redistribute, not just wealth, but population and land. Mr. Simpson proceeds to show how this plan is being inexorably advanced by today's secretive and unaccountable federal refugee resettlement programs – operations that have brought nearly 2 million refugees from Muslim nations to this country since September 11, 2001.
