Women's Rights Are Human Rights

Women's Rights Are Human Rights

Attaining equality between women and men and eliminating all forms of discrimination against women are fundamental human rights and United Nations values. Women around the world nevertheless regularly suffer violations of their human rights throughout their life, and realizing women's human rights has not always been prioritized. Achieving equality between women and men requires a comprehensive understanding of the ways in which women experience discrimination and are denied equality so as to develop appropriate strategies to eliminate such discrimination. This publication provides an introduction to women's human rights, beginning with the main provisions in international human rights law and going on to explain particularly relevant concepts for fully understanding women's human rights.
