Beautiful Norway

David Lacina

Beautiful Norway David Lacina

A beautiful and uplifting collection of photographs celebrating the beauty of Norway. In 2000, photographer David Lacina set his foot on Norwegian soil for the first time. Feeling somewhat lonely in this new country, he bought his first manual SLR camera. David soon realized that the camera gave his trips new meaning. His main focus was always to share with others the beautiful scenery he saw and the feelings he had at the time. The book is a selection of his best photographs taken over the past 13 years. He'll take you all over Norway: from the South with its characteristic farmscapes, through central Norway where you find the country's highest mountains and to the North, beyond the polar circle, where you find the Lofoten archipelago with its incredible jagged mountains unlike any other part of Norway. He will also take you to the famous Norwegian fjords and to islands accessible only by private boat. Many of the photographed places are remote and far from tourist crowds, and David returned there several times to catch different mood of the spots. Even though David was supposed to spend only one year in Norway, he fell in love with the nature and the country, and ended up staying for over 13 years.

From reader reviews:

Eleanor Hayes:

People live in this new day time of lifestyle always make an effort to and must have the time or they will get lots of stress from both day to day life and work. So , when we ask do people have spare time, we will say absolutely of course. People is human not just a robot. Then we consult again, what kind of activity do you possess when the spare time coming to an individual of course your answer will unlimited right. Then ever try this one, reading books. It can be your alternative within spending your spare time, typically the book you have read is definitely Beautiful Norway.

David Russell:

This Beautiful Norway is great guide for you because the content that is certainly full of information for you who else always deal with world and have to make decision every minute. This book reveal it details accurately using great coordinate word or we can state no rambling sentences inside. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with splendid delivering sentences. Having Beautiful Norway in your hand like having the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you world throughout ten or fifteen moment right but this publication already do that. So , this is certainly good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

Raymond Lee:

You can spend your free time to learn this book this guide. This Beautiful Norway is simple bringing you can read it in the playground, in the beach, train as well as soon. If you did not get much space to bring the printed book, you can buy often the e-book. It is make you simpler to read it. You can save the particular book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Sebrina Knapp:
