Hidden in Plain Sight

Huldah Daud

Hidden in Plain Sight Huldah Daud

Due to the forced migrations during the Trans-Atlantic slave trade many Africans have been displaced from their homelands, language, and culture. Because of conquest, colonialism, and history written in jealousy, the identity of this displaced people has become a topic of controversial discussion. This African Diaspora has been the vehicle for stealing and recasting the historical people of the land, while also veiling the truth of their pre-slavery existence. After nearly 400 years of the calculated misuse of religion and removal of cultural markers, *Hidden in Plain Sight* seeks to provoke thought on religion, racism, and cultural appropriation in order to assist in rebuilding the foundation that has been destroyed by systemic oppression. The current condition of “Blacks” in America is an obvious cause for concern, but very few seek to tell the unbridled truth about the origin of this condition, as well as those who have contributed to its perpetuation. This book tackles the echoing questions of “Why can’t we just move on?” Is it truly necessary to know the past in order to change the course of the future? Can there ever be solidarity amongst humanity? and if so what does that look like? As you read this book prepare for a liberating journey with the ultimate destination being a place of unity and redemptive truth.

From reader reviews:

Mark Hernandez:

Here thing why that Hidden in Plain Sight are different and reliable to be yours. First of all reading through a book is good nonetheless it depends in the content of computer which is the content is as tasty as food or not. Hidden in Plain Sight giving you information deeper and different ways, you can find any publication out there but there is no book that similar with Hidden in Plain Sight. It gives you thrill studying journey, its open up your own eyes about the thing that happened in the world which is might be can be happened around you. You can easily bring everywhere like in park your car, café, or even in your means home by train. In case you are having difficulties in bringing the printed book maybe the form of Hidden in Plain Sight in e-book can be your alternate.

Jean Hogue:

Exactly why? Because this Hidden in Plain Sight is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will zap you with the secret that inside. Reading this book alongside it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of positive aspects than the other book possess such as help improving your ability and your critical thinking means. So , still want to delay having that book? If I ended up you I will go to the book store hurriedly.

Rex Oswald:

Reading a book being new life style in this year; every people loves to go through a book. When you learn a book you can get a wide range of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you want to get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, such us novel, comics, in addition to soon. The Hidden in Plain Sight will give you new experience in looking at a book.

Kirsten Ferguson:

Do you like reading a book? Confuse to looking for your favorite book? Or your book has been rare? Why so many query for the book? But just about any people feel that they enjoy for reading. Some people likes reading through, not only science book but in addition novel and Hidden in Plain Sight or perhaps others sources were given expertise for you. After you know how the good a book, you feel desire to read more and more. Science reserve was created for teacher or perhaps students especially. Those ebooks are helping them to add their knowledge. In various other case, beside science e-book, any other book likes Hidden in Plain Sight to make your spare time more colorful. Many types of book like here.
