Reach for the Top: Women and the Changing Facts of Work Life (Harvard Business Review Book)

This text examines the challenges, frustrations and opportunities facing today's professional women: gender, stereotypes and the conflicts they create, the glass ceiling, sexual harassment, discrimination and work/family pressures. Featuring "Harvard Business Review" case studies, essays by leading analysts and stories from successful women managers, these 12 "HBR" articles provide an overview of the issues facing women at work. This work should be useful for managers trying to understand the dynamics of gender in the organization, as well as for women making their way up the corporate ladder.
