Stories of the Wracken Sacker: Reflections of the War Between the States Julious Walter Elmore

My interest in my grandfather's war history of the Gee-Johnson's 15th AR Infantry Regiment started with a conversation between myself and Dr. Robert Walz; a History professor at Southern Arkansas University, who had a friend, Dr. John Ferguson, an AR State Historian who found an article written by Benjamin F. Cooling, a park historian at Fort Donelson National Military Park. The only information I had of my grandfather's service was that he was in Johnson's AR 15th Company. So this began lots of studying and research. I have compiled some history for my decendants living in South Arkansas from 1861-1865, through four years of war and then the reconstruction the next twelve years. My goal is to leave my family with history of Colonel's Gee and Johnson and the 15th AR. This book contains the results of that research.
