## **The Practical Brewer, Third Edition** John T. McCabe

Written by industry experts, The Practical Brewer is regarded as a trade standard achieving worldwide acceptance as an outstanding basic training tool in the art and science of brewing. From proven practical procedures to recent innovative technologies, the book offers practical solutions to many everyday concerns.

The latest edition includes three new chapters dealing with low calorie beer/low alcohol beers, environmental issues and micro brewing. Since the first edition was published in 1946, The Practical Brewer has been an invaluable tool for providing information to new entrants in the field of brewing – and as a useful reference for the more experienced brewer.
