**Catch His Wife's Killer, Stop A War, Save The World.**

*"The break neck pace of an action movie, the beautiful language of a beloved classic, and the vivid imagery I wish existed in more contemporary works of this genre."* - Andrea Luhman

Former Detective Tom Mandel was the best Time Vice had to offer, but even he wasn't good enough to stop Malcolm Wolfe from pulling off the biggest heist in Unity history. Tom finally caught his man, justice was served, but not before losing his wife. It wasn't a fair trade.

Now, after a decade of slumming around the Lowers, the numbers on Tom's arm say he'll be dead soon. Less than a day remaining. A guy with his skills could earn more time, but he's not interested. He's ready to be done. Ready to join his wife in whatever comes next.

That is until his ex-partner, Alaina Raines, brings news that Malcolm Wolfe has escaped from prison with the help of a Unity Leader.

Torn between justice and vengeance, Tom Mandel must return to the life he left behind to catch his wife's killer and save countless lives.

But catching Malcolm means uncovering secrets better left buried. Secrets that could tear Unity apart from the inside. Then again, if Tom doesn't stop Malcolm, there probably won't be anything left of Unity to save anyhow.

To stop the coming war, Tom's just got to catch Malcolm before the numbers catch him.
