Tramp Steaming habu

BarbarianSpy Xtreme: Contains rough gay sex, domination, bondage, DP, gangbangs, fisting, and barebacking.

American Princeton student, Nathan Cassatt, travels to the South Pacific for a junior summer trip plying the islands on tramp steamers in search of new and more taxing sexual adventures with men. Wanting to improve his French, he gravitates to French men. The mixed French and Maori hunk, Etienne, picks Nathan up in New Caldonia and takes him on a tramp steamer to Fiji, where he robs and abandons Nathan. Temporarily financially destitute, Nathan looks for, and immediately finds a new supporter in the older, French short story writer, Christophe Fortier. Fortier writes edgy fetish gay male short stories for rich private collectors in Europe. He takes Nathan on to help embellish the stories he's writing through being able to describe the emotions and physical experience of having actually been taken in the ways and circumstances Fortier writes about, from couplings Fortier arranges for Nathan.

As the two continue on with a tramp steamer sail toward American Samoa, with French Polynesia as a goal, Nathan is indoctrinated into just about as much taxiing and rough sex as he can endure.

Fortier has booked on the tramp steamer, Pitcairn, paying for their passage by making Nathan's body available to the imposing and cruel Scandinavian ship's captain, Thorensen, and to all the crew. What they subject Nathan to expands his sexual experience and feeds into Fortier's short stories.

Meeting another American student on the steamer, Austin, trapped into the same situation as Nathan is—opens Nathan to new sexual possibilities. This is then augmented by meeting up with Noah, a busker at Circular Quay in Sydney—who opens Nathan's eyes to an entirely new aspect of sexual pleasure at the end of an unforgettable south seas adventure.
