A Pig is a Dog is a Kid Maritza Oliver

A Pig IS a Dog IS a Kid shines a light on the disconnection between the animals we call pets and the animals we eat. The book will raise awareness of the speciesism that is inherent in our perception of animals, and will bring attention to the very valid question: Why love one, but eat the other? It will also challenge the notion that we need to eat animals for survival, when in reality it is a choice.
