Babushka: A Christmas Tale Dawn Casey

On the eve of the very first Christmas, an old grandmother is busy tidying her home when a bright star illuminates the sky. Soon three wise men arrive and invite Babushka to join them in their travels—following the star in search of a newborn babe, the Prince of Peace. But there are dishes to be washed, and floors to be swept, and Babushka is too absorbed in her work to leave her home with presents for the baby Jesus.

The next day, when Babushka tries to follow the men, she cannot find their tracks. Instead, she finds a little girl shivering in the cold, and a little boy, his tummy rumbling with hunger. Babushka walks and walks, and everywhere she goes she finds children in need of toys to play with or a shawl to keep them warm. And to each one, she offers a gift from her basket and a smile of light and love.

With beautiful illustrations evoking folk art traditions and sensitive storytelling, Babushka tenderly reminds us that nothing is more important during the holiday season than taking the time to show love for one another. This timeless Russian tale will warm your heart and fill you up with the joyful, generous spirit of Christmas.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
