Are you doing what you love, or just earning a paycheck? Perhaps you're not working and feeling shut out of the profession. This book is designed to help you define a career on your own terms and go after it fearlessly. Connect with your highest purpose as a creative person and an architect by learning how to set professional goals that resonate with your true self. Then, put an action plan in place that allows you to make those goals a reality starting right now. Architect Angela Mazzi shares her insights on everything from navigating office politics to networking, to building your personal brand and marketing it through your resume, portfolio and social media profiles. Career Crisis develops many of the themes from her popular blog The Patron Saint of Architecture into a detailed program to help architects at any stage of their career stay motivated and inspired. Whether you want to land your dream job, or keep your career moving forward with purpose, this book will show you the way.
