The rate of those afflicted with Diabetes in the world has sky rocketed, reaching an estimated 415 million in 2015. With over 1.5 million deaths associated with Diabetes Mellitus each year, this devastating disease holds the 8th place on the World Health Organization's top 10 leading causes of death worldwide, a dubious and dark mark of honor. With such a high number of people falling to Diabetes daily, it is no wonder that the medical and scientific communities are focusing their attentions on treatments, prevention and even a cure. Advances are being made and solutions are slowly being found, yet for those suffering today, the need for a cure is much more immediate. Natural medicine has made its own waves in the Diabetic community, with treatments that ease symptoms, manage sugars and may even offer a cure. This guide not only delves deep into just what Diabetes Mellitus is, but provides tried and true home remedies that can help make those diagnosed with the disease much more comfortable, increase strength, calm side effects and possibly even offer a resolution to the disease itself.
