Employment Discrimination Law: Cases and Materials Arthur B. Smith, Jr., Charles B. Craver, Ronald Turner

Changes in the area of employment discrimination law, since publication of earlier editions of this book, have refined many of the substantive doctrines and continued to clarify procedural issues. A number of relevant decisions have explored the scope of protection provided by the ADA, while others have focused on the extent to which Title VII proscribes sexually harassing behavior. The new Eighth Edition of *Employment Discrimination Law: Cases and Materials* includes updated note material to include analyses and recent studies of labor market discrimination as well as covering recent judicial developments since the Seventh Edition was published in 2011.
