## **Pandora's Deed (Goddess to Daughter) (Volume 1)** Monica Mynk

Years ago in rural Dreyfus, Kentucky, seven fourth grade girls studied mythology at a small Christian school. Three bore names of goddesses, and the others took on goddess nicknames. Pretending divinity made them feel powerful until their teacher explained they could only attain true power through Christ. They promised to always be friends, following Jesus together. Then, life happened. They went their separate ways and fell deep into sin. The Goddess to Daughter Series explores their stories of redemption and love. Meet Pandora, a.k.a. Savannah Barrett, a twenty-something college grad who can't seem to land a good job or a good man. She fled her Dreyfus home to escape childhood bullies, and planned to stay away for good. Body image struggles have led her to a life of empty relationships. After yielding so many times to temptation, she believes no one could desire her for more. Geoff Spencer, her former tormentor, is the man who could love her anyway. He cleaned up his life, stopped the bullying, and found Christ. When she inherits his farm, she returns to Dreyfus to claim the property and face her dreadful past. She never expects to claim his heart as well. The property transfer unearths a mystery that some would prefer to stay buried—a tragedy that intertwines their families and plants Savannah in the way of a psychopath who'd rather dispose of her than expose the past. Can Geoff convince her that he's changed, and she's not only worthy of his love, but God's love, too? And can they find answers from their past before it's too late for her soul?
