Walter Mosley

**When the Thrill Is Gone (Leonid McGill)** Walter Mosley

**Leonid McGill is back, in the third-and most enthralling and ambitious-installment in Walter Mosley's latest *New York Times*- bestselling series.**

The economy has hit the private-investigator business hard, even for the detective designated as "a more than worthy successor to Philip Marlowe" (*The Boston Globe*) and "the perfect heir to Easy Rawlins" (*Toronto Globe and Mail*). Lately, Leonid McGill is getting job offers only from the criminals he's worked so hard to leave behind. Meanwhile, his life grows ever more complicated: his favorite stepson, Twill, drops out of school for mysteriously lucrative pursuits; his best friend, Gordo, is diagnosed with cancer and is living on Leonid's couch; his wife takes a new lover, infuriating the old one and endangering the McGill family; and Leonid's girlfriend, Aura, is back but intent on some serious conversations...

So how can he say no to the beautiful young woman who walks into his office with a stack of cash? She's an artist, she tells him, who's escaped from poverty via marriage to a rich collector who keeps her on a stipend. But she says she fears for her life, and needs Leonid's help. Though Leonid knows better than to believe every word, this isn't a job he can afford to turn away, even as he senses that-if his family's misadventures don't kill him first-sorting out the woman's crooked tale will bring him straight to death's door.
