Loaded with hundreds of photographs of high-end custom homes, these gorgeous books are a treat for lovers of residential architecture and a resource for people planning to build their own one-of-a-kind houses. Profiles of top architects and information on local builders and suppliers provide an overview of regional styles and preferences in each locality.

Featuring some of the world's most aesthetically creative and environmentally conscious residential design and construction, this gorgeous collection reflects homes with a deep reverence for their natural and cultural contexts, from coastal dwellings along the shores of Lake Washington to contemporary urban dwellings and snug mountain cottages in Oregon. With more than 30 leading pioneers of the Green movement, this informed overview spotlights architects from such firms as Olson Sundberg Kundig Allen Architects, Cutler Anderson Architects, Miller Hull Partnership, and the Green Gables design team.
