The Angel (Small Town Heroes) (Volume 1) Robert Whitbey

Tom Salem is a reporter searching for answers after a failed suicide attempt. Soon he is on the trail of someone believed to helping people around Kern County in California's Central Valley. He finds others who have been similarly helped such as an elderly man saved from his burning home, a young girl lost in the woods for days, found and transported to safety, and a shopkeeper saved from a robbery late one night. All incidences have one thing in common: a mysterious, heroic stranger dubbed 'The Angel' by locals. What Tom finds is nothing like he expected. As he grows closer to the truth, the reporter becomes part of the story as he is forced to come to terms with his own 'demons.' When The Angel goes from whispers on the internet to full media exposure, can the mysterious figure survive the onslaught of public scrutiny? Or will the person that 'just wants to help people' fold under the pressure?
