Vampire Apocalypse: Trail of Tears (Book 4) (Volume 4) Derek Gunn

On a cold and stormy evening the small human settlement celebrate their survival. Not all of their number have returned though and it is a bitter-sweet celebration. The festivities are interrupted when an elite force of Carter's thralls find their hidden home and attack. The fallout from the nuclear plant is also creeping south with the prevailing winds forcing the humans to abandon their home. While they prepare to leave the weather worsens and they are forced to abandon many of their belongings and trek miles to what they hope will be a better life. Carter now knows where they are, though, and mounts a huge offensive to destroy the human threat and gain possession of the new, vampire-killing ammunition. Caught between the approaching thrall army, the violent storms and the poisoned air the humans make a desperate journey along the trail of tears. In California Von Richelieu must re assert his authority over the cabals or lose everything. The small rebel band become more than a nuisance and Von Richelieu puts plans in place to destroy them once and for all. The clock for the serum's deadly effects finally winds down and humans die in their thousands. With food scarce and the vampires falling prey to their growing madness the world falls closer to its apocalyptic end. "For those who like their vampires tough and truly terrifying, Descent, and Derek Gunn's entire Vampire Apocalypse series, make for exceedingly pleasurable and satisfying reading." ~Fear Zone "Derek Gunn didn't reinvent the vampire novel. Instead he stripped it back to its roots, in the process tearing away the pretensions other writers have used to humanize the fabled bloodsucking monster. His books are not comforting paranormal romances; they are violent and visceral supernatural thrillers." ~International Writers' Association "Anyone who is interested in vampire literature and likes his or her fiction filled with action will enjoy this." ~Fear Zone "...it is solid storytelling..kick back and let the action flow over you." ~Whispers of Wickedness "I am shocked by how much I enjoyed this story." ~Horrorworld "This is the book that takes Vampires and turns them into a Summer Blockbuster.." ~Gorezone, UK's No. 1 horror magazine
