**Embodying Authenticity: A Somatic Path to Transforming Self, Team & Organisation** Eunice Aquilina

**Transformative change begins with those who seek to lead it.**

Connecting the individual journey with the collective journey is what allows organisational transformation to unfold and sustainable change to become possible.

Embodying Authenticity explores the theory and practice of an integrated somatic methodology and how this unique approach supports individual and collective transformation, which are interdependent and inseparable.

In somatics the 'self' and the body are inextricably linked, when we connect with vast intelligence of the body powerful change is available.

#### **Cory Thomas:**

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Embodying Authenticity: A Somatic Path to Transforming Self, Team & Organisation can make you truly feel more interested to read.
