## Seven Masterpieces of Philosophy

This highly anticipated anthology, compiled by noted author and scholar Steven Cahn, presents the seven major works central to any introductory philosophy course in their entirety. Each work has had a profound influence on philosophical thought, and the authors are generally regarded as among the world's greatest philosophers.

*Seven Masterpieces in Philosophy* features the most well-respected and admired translations, and offers introductions and annotations by Steven Cahn. Anyone seeking to understand the challenges of philosophy could hardly do better than concentrate attention on these seven masterpieces. A great alternative to larger tomes, this book allows the instructor to supplement these works with additional materials of their choosing.
