## **Smooth Riding the Pridmore Way** Reg Pridmore, Geoff Drake

Former AMA racing champion Reg Pridmore, known worldwide for his popular CLASS Motorcycle Schools, brings his decades of experience on the track, street and classroom, to the readers of this new riding skills book. After reviewing the basics, Pridmore shows advance students how to focus on control in cornering, braking, and acceleration. A long-time proponent of the value of body-steering, Pridmore's insightful text explains how this controversial technique helped him win championships and how it can help everyday riders and budding racers become smoother, better riders. Sections on street strategies and riding gear make this a comprehensive how-to riding skills book for anyone looking to improve their skills.

#### **Gail Blakely:**

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Smooth Riding the Pridmore Way can make you sense more interested to read.
