Father Pelletier has been writing on Marian apparitions since 1952 when "The Sun Danced at Fatima" was first published. Since 1952, he has written four other books concerning apparitions of Our Lady. This latest book, on Medugorje, finds him writing for the first time as a witness of the apparitions he describes. This book leads the reader from the prophetic beginnings of the event in Rome in early May 1981 through the six different sites where Our Lady has appeared.
