A part of MT III Golf Media's Black Book series of national and regional course guidebooks, The Southeast Florida Golf Guide profiles every golf course in Dade, Broward and Palm Beach Counties, from the ritziest private clubs to the smallest nine-hole par 3. Continuing the series' tradition of providing accurate, detailed and candid assessments, its profiles range from 100-400 words and also include complete contact information, a course's current national/state ranking(s) and a unique five-star Collectability Rating - a course rating method entirely exclusive to the Guide. No other guidebook covers the region so candidly or comprehensively, or with so detailed an eye towards a course's history and design evolution. Thus also something of a reference volume for historians and architectural aficionados, The Southeast Florida Golf Guide is an indispensable source of information for both visitors and local residents alike.
