The spirit of Christmas is in serious danger. A towering Christmas tree that once stood tall in the city has been missing for the past eight years. Without the tree, the city has slowly forgotten the magic that is Christmas. Everyone except for one little girl. Nicki Noel loves two things: trucks and Christmas. She's always felt drawn to them, despite being told that girls can't drive trucks. But when her mother needs to leave town for work, and Nicki goes to stay with old friends of her father's, the mysteries of her past begin to unfold in front of her. Can a little girl drive a truck? Can the magic of Christmas return to the city? Or will it finally be lost, forever? Nicki Noel and the Curious Christmas Truck is the debut children's novel of a Big Five-published hybrid author who wanted to write a book he could share with his son. It's written for ages 8 – 12 as the intended audience, but can be enjoyed all ages.
