Shadow of the Swords: An Epic Novel of the Crusades Kamran Pasha

An epic saga of love and war, *Shadow of the Swords* tells the story of the Crusades—from the Muslim perspective.

Saladin, a Muslim sultan, finds himself pitted against King Richard the Lionheart as Islam and Christianity clash against each other, launching a conflict that still echoes today.

In the midst of a brutal and unforgiving war, Saladin finds forbidden love in the arms of Miriam, a beautiful Jewish girl with a tragic past. But when King Richard captures Miriam, the two most powerful men on Earth must face each other in a personal battle that will determine the future of the woman they both love—and of all civilization.

Richly imagined, deftly plotted, and highly entertaining, *Shadow of the Swords* is a remarkable story that will stay with readers long after the final page has been turned.
