Shakespeare's Comedy of Twelfth Night: Or What You Will (Classic Reprint) William J. Rolfe
Excerpt from Shakespeare's Comedy of Twelfth Night: Or What You Will

My former edition of Twelfth Night, first published in 1879, is now substantially remade on the same general plan as the revised Merchant of Venice and other plays that have preceded it.

The notes on textual variations have been either omitted or abridged, as this play, like most of the others read in schools and colleges, is now among the twelve plays that Dr. Furness has edited. No teacher can afford to do without his encyclopedic volumes, which furnish not only a complete variorum of the textual readings, but a condensed library of the English and foreign literature relating to each play.

For most of the "Critical Comments" in the former edition I have substituted matter of my own, much of which is drawn from familiar lectures prepared for audiences of teachers and students.

Minor changes have been made throughout the Notes, and many new ones have been added, including a considerable number in place of those referring to my former editions of other plays. The book is now absolutely complete in itself.

I believe that teachers will prefer the new edition to the old one; but both can be used, without serious inconvenience, in the same class or club.
