*Taxation for Decision Makers, 2015 Edition* is designed for a one-semester introductory tax course focused on decision-making at either the undergraduate or graduate level. The text introduces all relevant tax topics covered on the CPA exam in twelve chapters, and strikes a balance between concepts and technical details without overwhelming the student with seldom-encountered technicalities. The importance of tax planning is also emphasized throughout the text and is woven into each chapter with margin icons highlighting planning opportunities.
