The Eden Plague (Plague Wars) David Vandyke

Not all plagues kill. But there are those with much to lose from the advancement of the human race, and there is nothing more dangerous to the hidden powers of the world than a plague with the ability to improve Mankind through simple human contact.

When veteran combat lifesaver Daniel Markis finds a mystery woman with armed invaders in his home and it all goes sideways, he turns to his brothers in arms to fight back. On the run from the shadowy Company, soon he finds himself in a war for possession of a genetic engineering puzzle that threatens the stability of the world. But who is behind it all - and are they even human?

No zombies were harmed in the making of this book. In fact, no zombies appear anywhere in this book. Seriously. It's not a zombie book.

The Eden Plague is Book 0 in David VanDyke's bestselling Plague Wars series.

From reader reviews:

Ruth Davis:

In this 21st centuries, people become competitive in every single way. By being competitive today, people have do something to make these survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that at times many people have underestimated it for a while is reading. Yeah, by reading a book your ability to survive improve then having chance to endure than other is high. For you who want to start reading a new book, we give you this kind of The Eden Plague (Plague Wars) book as starter and daily reading publication. Why, because this book is more than just a book.

Mary West:

This The Eden Plague (Plague Wars) is great reserve for you because the content which is full of information for you who also always deal with world and also have to make decision every minute. This particular book reveal it information accurately using great plan word or we can claim no rambling sentences in it. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but tricky core information with splendid delivering sentences. Having The Eden Plague (Plague Wars) in your hand like having the world in your arm, information in it is not ridiculous 1. We can say that no e-book that offer you world in ten or fifteen second right but this e-book already do that. So , this can be good reading book. Hey Mr. and Mrs. hectic do you still doubt this?

Donald Cortes:

Don't be worry when you are afraid that this book may filled the space in your house, you might have it in e-book approach, more simple and reachable. This specific The Eden Plague (Plague Wars) can give you a lot of friends because by you taking a look at this one book you have thing that they don't and make a person more like an interesting person. This kind of book can be one of a step for you to get success. This reserve offer you information that perhaps your friend doesn't learn, by knowing more than different make you to be great people. So , why hesitate? We need to have The Eden Plague (Plague Wars).

Kathleen King:

That e-book can make you to feel relax. That book The Eden Plague (Plague Wars) was bright colored and of course has pictures on there. As we know that book The Eden Plague (Plague Wars) has many kinds or style. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and feel that you are the character on there. Therefore not at all of book are make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading in which.
