The book " ANCIENT GREECE: a concise and illustrated history ", brings the environment and events of the corresponding era to life using graphic novel form, including paragraphs of historical narrative. The original theme units are short in narration, and serve as an introduction to the book. The main body of the book includes the big clashes between the ancient Greeks and Persians ( Median Wars ), also the events during the period of Alexander the Great and king Philip the 2nd. Short narrative is included in between, to serve as a link for the historical events. During the historical events, illustrated ancient cities, architectural structures and works of art, are displayed in detail. There was also a special study done based on archaeological manuals on the special characteristics of the temples and works of art.
