She excels in the Information Technology (IT) field and becomes very successful at a major IT company ... until she pursues a senior executive position, where she once again is told that "she is not good enough." After 10 years of living and working in the big city, Sidney returns home, only to discover her feelings for J.P. have not diminished even though he has moved on with his life. Sidney is faced with two questions. Can true love truly last a lifetime? And, will she trust God to guide her through her emotional turmoil to find her very own resting place?
