Everybody loves Rain Austin. What was not to love? She was beautiful, successful, and funny with a big heart. She just had one major flaw: She was a serious commitment-phobe. She was happy having a man in her life, when she wanted a man in her life. She was far too busy running her staffing company to settle down. If only she could convince her friends and family that her choices were right for her. So what if she dumped a man at the first sight of him catching feelings? But when she meets Blake Collins in a client meeting, she starts to think maybe she was missing out on something after all. Blake Collins was under a lot of pressure at work. When he contracted a staffing company to help him out, he met Rain Austin. Holy Crap! Who could think about work when a green eyed goddess was sitting across from him? This could get interesting.
