Saving Our Ancient Forests Seth Zuckerman

A concise action guide to saving one of America's most majestic natural treasures, those irreplaceable 1000-year-old trees. This volume discusses their great ecological value to our nation and our planet. It catalogs what we stand to lose. Giving tips on recycling wood products, visiting ancient forests, using consumer power to preserve forests, and joining the political fight for preservation are only a few of the benefits for the reader to learn from this forest-preservation book. Line drawings. National book tour.
