Operation Vanguard is in chaos. On a post-apocalyptic world in the Taurus Reach, undercover Starfleet Intelligence agent Cervantes Quinn finds an ancient Shedai conduit. Unfortunately, the Klingons have found it first and sent an army to claim it. Light-years away on Vulcan, reporter Tim Pennington answers a cryptic call for help and ends up stalking interstellar criminals with an unlikely partner: T'Prynn, the woman who sabotaged his career and is now a fugitive from justice. Meanwhile, Diego Reyes, former commander of Starbase 47, lives as a prisoner aboard a Klingon starship. But his former enemies aren't seeking revenge. In fact, the only man who knows why Reyes is still alive is the one who arranged his kidnapping and faked his death - the enigmatic Councilor Gorkon. All their fates, as well as the futures of three great powers, are linked by one thing: the mysterious Mirdonyae Artifact. And unless Doctor Carol Marcus and Ming Xiong can unlock its secrets in time, it might destroy them all.

What kind of hangout type is it? Oh seriously its mind hangout guys. What? Still don't buy it, oh come on its referred to as reading friends.

John James:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Star Trek: Vanguard: Precipice (Star Trek: The Original Series) can make you experience more interested to read.
