The Legion of Flame (The Draconis Memoria)

Anthony Ryan

The Legion of Flame (The Draconis Memoria) Anthony Ryan

Empires clash and a fell power stakes its claim in the second in a new series from the *New York Times* bestselling author of the Raven's Shadow Trilogy.

For centuries, the vast Ironship Trading Syndicate relied on drake blood—and the extraordinary powers it confers to those known as the Blood-blessed—to fuel and protect its empire. But now, a fearsome power has arisen—a drake so mighty that the world will tremble before it.

Rogue Blood-blessed Claydon Torcreek, Syndicate agent Lizanne Lethridge, and ironship captain Corrick Hilemore embark upon perilous quests to chase down clues that offer faint hopes of salvation. As the world burns around them, and the fires of revolution are ignited, these few are the last hope for the empire, and all of civilization.
