The Reader's Digest

Children's Atlas of the World

The Reader's Digest Children's Atlas of the World has been conceived specifically to meet the needs of children living in today's increasingly information-rich world. Its combination of sophisticated cartography, stunning artwork and authoritative yet accessible text has resulted in the most exciting, comprehensive and lavishly illustrated children's atlas available today.

Dramatic, **visually stimulating thematic pages** provide a clear introduction to maps. They also explain important geographical concepts in simple language, covering topics ranging from the structure of Earth to the world's environmental problems.

More than **50 detailed maps** incorporating digital relief mapping and the **latest geographical and political data** cover every corner of the globe. **Thousands of dynamic, colorful illustrations** paint a multifaceted picture of each region, and **informative text, up-to-date statistics, amazing fact features** and **lively captions** help the young reader gain a deeper understanding of the world's **climates, peoples, resources** and wildlife. **Fun projects** and **quizzes** add a strong interactive element, encouraging a hands-on approach to learning.

The maps are supplemented by a World Fact File, which includes **flags** and **essential information** on **every country**, and by a useful **glossary** of **geographical terms**, and an **extensive index** and **gazetteer**.

For children of all ages, this exquisitely produced volume will become the ultimate resource for fun and study, at home and at school.
