The Sound of Rain

Gregg Olsen

The Sound of Rain Gregg Olsen

Former homicide detective Nicole Foster has hit rock bottom. Driven off the force by her treacherous partner and lover, she's flat broke and struggling with a gambling addiction. All Nicole has left is the dream of a warm bed at a homeless shelter and the haunting memories of three-year-old Kelsey Chase—whose murder case ended her career.

As Nicole obsesses over the old facts, she realizes everything about that case felt off: a disinterested mom, a suicidal pedophile, and too many questions left unanswered. When the little girl's grieving father begs Nicole for help, she's drawn back into the investigation...and given one shot at redemption.

But the deeper Nicole digs, the more evil she uncovers, including betrayals that hit painfully close to home. Will a shocking discovery be the key to finally getting justice for Kelsey and resurrecting her own life?

From reader reviews:

Edward Gilbert:

Nowadays reading books be a little more than want or need but also become a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge your information inside the book that will improve your knowledge and information. The details you get based on what kind of reserve you read, if you want have more knowledge just go with knowledge books but if you want really feel happy read one together with theme for entertaining for example comic or novel. Typically the The Sound of Rain is kind of guide which is giving the reader capricious experience.

Tammy Crider:

Reading a e-book can be one of a lot of action that everyone in the world likes. Do you like reading book thus. There are a lot of reasons why people like it. First reading a publication will give you a lot of new info. When you read a publication you will get new information because book is one of numerous ways to share the information or even their idea. Second, studying a book will make an individual more imaginative. When you reading through a book especially fiction book the author will bring someone to imagine the story how the personas do it anything. Third, you could share your knowledge to other individuals. When you read this The Sound of Rain, you can tells your family, friends as well as soon about yours book. Your knowledge can inspire others, make them reading a guide.

Beth Stewart:

Reading can called imagination hangout, why? Because if you are reading a book mainly book entitled The Sound of Rain your thoughts will drift away trough every dimension, wandering in every single aspect that maybe not known for but surely can become your mind friends. Imaging every word written in a e-book then become one type conclusion and explanation that maybe you never get prior to. The The Sound of Rain giving you an additional experience more than blown away your head but also giving you useful details for your better life in this particular era. So now let us show you the relaxing pattern the following is your body and mind is going to be pleased when you are finished reading through it, like winning an activity. Do you want to try this extraordinary spending spare time activity?

Sandra Mendoza:

As we know that book is important thing to add our information for everything. By a publication we can know everything we want. A book is a group of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This e-book The Sound of Rain was filled regarding science. Spend your extra time to add your knowledge about your technology competence. Some people has different feel when they reading any book. If you know how big benefit of a book, you can really feel enjoy to read a reserve. In the modern era like currently, many ways to get book that you simply wanted.
