Print Room 2013-2015 Fred Bervoets

- A selection of Bervoets work, focused on the wild and colorful imagery of his etchings
 - These small works form the heart of this book and include Bervoets' more impressive etchings since 2013
- During the day, painter and graphic artist Fred Bervoets (1942) works almost routinely at his large format etchings. At night, he lets his imagination run wild. The hundreds of drawings, sketches, doodles and paintings done in the margin today fill almost the entire ground floor of his studio home. The one thing they have in common, apart from their maker, is their modest A4 format.

The spontaneity of these small works on paper forms the heart of this book, which also includes Bervoets' more monumental etchings since 2013. This one-of-its kind "print room" offers an impressive kaleidoscopic self-portrait of an absolutely unique artist.

Text in English and Dutch.
