Drive On!: Preserve and Prolong Your Time on the Road

Drive On!: Preserve and Prolong Your Time on the Road

Are you a Baby Boomer? A member of the post-World War II generation? Retiring or planning to retire at a time when U.S. life expectancy has never been higher? If so, you're part of the exploding population of senior drivers on our highways. You're also helping to create potentially massive problems for traffic planners, highway safety engineers and healthcare providers who are struggling to cope with the challenge of tens of millions of aging Americans plying the roadways...

Or are you?

In *Drive On!*, six talented writers – most of them senior drivers themselves – have tackled this question head-on. They've sorted through the many myths and misperceptions about senior drivers. They've consulted the best available research. And they've drawn on their own collective decades of experience to reach a surprising and welcome conclusion: You can stay safe behind the wheel for many years – if you follow their advice and learn from their insights. You will also enjoy their fascinating interviews, easy-to-use self-diagnostic quizzes and compelling personal stories, all packaged within this unique, concise and most entertaining little book.

If you're a senior driver, or about to become one, *Drive On!* is invaluable!
